

Date:- 12-Aug-2020

Course:- Digital Signal Processing 4:
Application

Sindhu.S

4AT18EC049

- Real time AUDIO signal Processing:-

- Hardware Lab:-

- Introduction

- python notebook:-

- The "losce transformer" notebook.

- The Lab Nodes:-

- prepare breakout boards

- Breakout board assembly.

- Introduction

- wiring up everything

- Introduction

- oscilloscope overview, analog Mode

- oscilloscope overview, digital Mode.
