

Date:- 22-July-2020  
Course:- Basic Statistics

Sindhur-S  
AAH8EC049  
4th Sem. 'A' Sec.

- probability:-
  - probability and randomness
  - Randomness
  - probability.
- Sample Space, events and tree diagrams
  - Sample Space, event, probability
  - Quantifying probabilities
- probability and sets:-
  - Basic set-theoretic concepts
  - practice with sets
  - Union
- Conditional probability and independence
  - joint and marginal probabilities
  - Conditional probability
  - Independence b/w randomness
  - More conditional probability
- Review:-
  - probability
  - R-lab - probability.

Date: 22-July-2020
