JAY PRAKASH
Date _____ Page _____

Date: - 25-JULY-2020   Sindbu. S

Course:- Basic statestics.   AAL18EC049

                                    4th Sem, 'A' Section

- Interference and Confidence interval for mean:
  → Statistical interference
  → Confidence interval for mean with known populations.
  → Confidence enterval for mean with unknown populations.

- Confidence interval for propostion and the Confidence levels:-
  → Confidence enterval for proportion.
  → Confedence levels.
- Sample size and example:-
  → Choosing the sample size.
  → Examples.
- Reveew:-
  → Transcripts - Confidence intervals.
  → Confidence entervals.
  → R-lab - Confidence entervals.
